## MEN KILTS

Great Kilt is supplying Men kilts in various colors and all sizes with custom details.

Purchase your desired kilt in size that you match and length you desire with no additional costs of Customization. We're offering almost all colors utility kilts and in case you have any abstract design share with us and we'll make it at our normal price.

## UTILITY KILTS

Welcome to our range of Utility Kilts. These trendy kilts feature adjustable straps and side pockets, so they're hard wearing and functional to be used through the day. Just scroll down to see the whole variety. For anybody who appreciates the look and feels of wearing a kilt but needs something hardwearing, functional and stylish then a utility kilt may be an ideal fit. Utility kilts provide the standard kilt a contemporary and functional twist, including hard-wearing stuff with additional features which produce your kilt more operational. While conventional kilts might appear striking at any type of social event, they need to get cared for if you would like to maintain their charming appearances. These Kilts are outfitted with several pockets for simple storage of small things and even tools, perfect for sporting not just for general jobs but also for all kinds of work circumstances. Instead of cosmetic tartan, utility kilts are made from hard wearing materials that could stand up beautifully to tear and wear. Like traditional kilts, these layouts are pleated on the trunk for precisely the exact same form and design of the standard kilt. Utility kilts will also be excellent everyday fashion accessories and may fit into numerous events when paired with the perfect outfit. This kilts can be found in several fashions. Black utility kilts are flexible and can be dressed up or down, whilst camouflage kilts are best for work or casual wear and then include a little bit of pattern into the garment. But you wish to design your usefulness kilt, you will always look stylish and feel comfortable in most climates.

## TARTAN KILTS

Tartan kilts are one of the proudest parts of Scotland's national heritage. In fact, it has become a symbol of Scotland and Scottishness around the world. Our traditional kilts are designed and woven with this heritage in mind to create an authentic look that's perfect for formal events, social gatherings, weddings and more. Tartan kilts are handmade in Pakistan by kiltmakers of extremely high repute. They are available in both 5 and 8 yard lengths in a variety of different weights. What's more, our tailor-made kilts are available in a huge number of tartans. Our collection of tartans contains over 30+ different variants, and even includes tartans that have fallen out of general use. Our tartans are woven by hand at in Pakistan.

Great Kilt Company: Specialists In Tailor Made Kilts

Our traditional kilts are all made to measure. This means that, not only do they look fantastic, they will also fit you snugly and comfortably. The fabric for each of our kilts is woven and cut by hand meaning each one is a unique piece of art.

Purchase your perfect tailor-made kilt today from Great Kilt Company.

Please note, due to the unique nature of some of our tartans and the kilt making process, the perfect kilt for you may not always be immediately available. Please emails us at [greatkilts@gmail.com](mailto:greatkilts@gmail.com) to check if your tartan is in stock and to discuss any specific requirements; we're always happy to help.

## WOMEN KILTS

Women kilts have all the same flair as traditional men's kilts, blending Scottish heritage with feminine tailoring for a garment that can look at home at any occasion. You can channel Highland heritage into any outfit by finding the perfect combination of kilt length and tartan. The kilt first appeared over the course of the 16th century but it has evolved far away from these humble origins. While the first kilts were practical garments in plain colours, by the 17th and 18th centuries short kilts had become the norm. Advancing weaving techniques made it possible to produce a range of vibrant tartan fabrics, leaving us with the kilts that are so loved today. Ladies' kilts draw on this history giving them a feminine twist to make them modern and attractive additions to any wardrobe. The ladies' kilt gives wearers more options with a range of lengths available, letting you choose what suits your wardrobe and occasion. Casual ladies' kilts are easy to wear everyday and are a fun way to show off your favourite tartan. They're stylish and comfortable and they're especially warm for winter. There are a huge number of tartans to choose from, from traditional colour palettes to subtle lilacs and blues that add a pretty edge to this iconic material. Ladies' kilts can also have a more formal edge in longer lengths and more subtle tartans. Knee length ladies' kilts are the closest match to their male counterparts and can be equally at home at parties and formal events. Full length women kilts are another option and can ward off even the coldest winter temperatures all while channelling the iconic look of the kilt. Shorter kilts give a youthful edge to this classical piece of Scottish heritage, drawing on all the history behind the kilt whilst complementing the modern wardrobe.
